3.0 out of 5 stars Not what I expected. When I ordered this book I thought it was going to contain study information somewhat like a text book. However it does not. It is just practice test questions for you to study with. The book is useful for sure but not if you are expecting to read it like a text book.

5.0 out of 5 stars Very good review book. I've used this book while studying for my Boards in 2007. Now, being a licensed pharmacist, I recommend it to all my students. In particular, reviewing all the cases at the end of the book DO HELP tremendously in preparing yourself for the actual NAPLEX format questions.
