BPM CBOOK V3
BABOK® Guide expands the scope of business analysis, providing essential direction and support for practitioners. Business analysis is a very interconnected, linear process. There are a lot of feedback loops, but at the core is enterprise analysis: which talks about business casing, understanding the business problem, and solution assessments.

BABOK® Guide - IIBA
By rolling the task up to activities, then up to workflow and then to subprocesses, it is easy to see how all work fits into processes and how it plays a role in producing the end product of the process. But this fourth level of detail provides only a basic understanding of the detail in the business operation.
