The more the Calvinists claimed sole authority for religious instruction, the more Emerson and his contemporaries thought them selfish and interested only in their own — rather than their congregations' well-being. Emerson wished for salvation, but not within a church that still held Calvinist beliefs. After he resigned his pastorate at the ...

Emerson too observed a fallacy of insignificance afflicting his contemporaries. He proposed that the individual could overcome this fallacy through the recognition that “the power which resides in him is new in nature, and none but he knows what that is which he can do, nor does he know until he has tried.” (Self-Reliance, Ralph Waldo Emerson)

As he returned from Europe in 1833, Emerson had already begun to think about the book that would eventually be published under the title Nature. In writing Nature, Emerson drew upon material from his journals, sermons, and lectures. The lengthy essay was first published in Boston by James Munroe and Company in September of 1836. A new edition (also published by Munroe, with Emerson paying the ...

### **Emerson's "Nature" Summary and Analysis - CliffsNotes**

Emerson criticizes his contemporary society, because in his opinion it promotes obedience and conformity. Therefore, "representative men" have become rare. His age, Emerson complains, "yields no great and perfect persons." 18 In Henry David Thoreau's words: "The mass of men lead lives of quiet desperation. [...] But it is a characteristic of ...

### **"Self Reliance" in Emerson`s and Thoreau`s Work" - GRIN**

Emerson's first mention of "individualism" was not until 1843. It is clear, though, that Emerson's notion of self-reliance was tied to what later would be called "individualism." Emerson's individualism was so radical that it bordered on self-deification. Only through personal will could one realize the majesty of God.
