ManyBooks is another free eBook website that scours the Internet to find the greatest and latest in free Kindle books. Currently, there are over 50,000 free eBooks here.

John Bradshaw Cat Sense

In Cat Sense, renowned anthrozoologist John Bradshaw takes us further into the mind of the domestic cat than ever before, using cutting-edge scientific research to dispel the myths and explain the true nature of our feline friends. Tracing the cat's evolution from lone predator to domesticated companion, Bradshaw shows that although cats and humans have been living together for at least eight thousand years, cats remain independent, predatory, and wary of contact with their own kind ...

Cat Sense: How the New Feline Science Can Make You a ...

Bradshaw makes frequent references to the fact that research is lacking in many areas of cat behavior. He gives some suggestions for why cats may exhibit certain behaviors but always points out when his theories are not substantiated by research. This is not a problem for me either.

Cat Sense: John Bradshaw: 9780241960455: Amazon.com: Books

John Bradshaw is, happily, a believer, and his cats Splodge, Lucy and Libby (nothing on the naming of cats, perhaps dealt with in his way by T. S. Eliot 'The Naming of Cats is a difficult matter./ It isn't just one of your holiday games;/ You may think at first I'm as mad as a hatter /When I tell you, a cat must have THREE DIFFERENT NAMES.' — am I alone in thinking those rhymes are contrived?) and none of the fascinating cat facts presented seem to have been acquired by cutting them open.

Cat Sense John Bradshaw | The Literary Times

Today there are three cats for every dog on the planet, yet cats remain more mysterious, even to their most adoring owners. In Cat Sense, renowned anthrozoologist John Bradshaw takes us further into the mind of the domestic cat than ever before, using cutting-edge scientific research to explain the true nature - and needs - of our feline friends.
