Steve Jobs Steve Jobs Creativity

Steve Jobs: "Creativity is Just Connecting Things". August 13, 2015 5 Mins Read. By the time he died on October 5, 2011, Steve Jobs had accomplished just about everything a man of ideas could dream of, and he left his mark by helping to make the world a global village. But perhaps the irony is that for all the credit Jobs receives for revolutionizing the personal computer and mobile communication, by his own admission, he wasn't that much of a creative genius, just someone who knew how ...
