Social movements had existed before, notably the Women's Suffrage Movement and a long line of labor movements, thus constituting an existing social movement sector, which is the multiple social movement industries in a society, even if they have widely varying constituents and goals. The civil rights movement had also existed well before Rosa ...

Social Movements | Introduction to Sociology

For the last decade, same-sex marriage has been one of the most contentious issues in American politics, mobilizing volatile social movements on both sides of the question, and generating discrete outcomes in several American states. I use these cases to examine questions about social movement strategy.

In American politics, mobilizing volatile social movements ...

Social movement - Social movement - The consequences of social movements: It has been suggested that the committed participant in a social movement undergoes a psychological reorganization. It is clear that his new sense of security and importance is acquired at the sacrifice of autonomy. As a loyal member he tends to let the leaders do his thinking for him, suppressing doubts as to the ...

The necessary ingredients for winning major social changes - national consensus on issues and a mobilized 'movement of movements' - are developing, but these ingredients merely create the ...

The Roles of Social Movements - CounterPunch.org

Late '90s Serbia was different in many ways from the situation facing activists in the U.S. or other countries. For one thing, the U.S. led a NATO bombing against Milosevic, which failed to unseat him, and in its frustration Washington decided to bet on the young rebels and help fund Otpur's leaflets and computers. Even so, Otpur's experience can stimulate our thinking. Given how many ...

Globalize Liberation: 5 Stages For Social Movements ...

Understanding Social Movements. To begin this understanding, we first need to understand what social movements are. To reiterate a definition already presented, a social movement may be defined as an organized effort by a large number of people to bring about or impede social, political, economic, or cultural change. Defined in this way, social movements might sound similar to special-interest ...
