LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Warhammer 40k 6th Edition Necron

Necron Wraiths are gone, replaced by Canoptek Wraiths, which look like the old Wraiths mixed with Tomb Spydery, and Pariahs are gone too (but you could still use your old Pariah models as Lychguard, since Lychguard also have Warscythes). 6th ed has dropped and the new FAQ's strongly favor the Necrons.

Warhammer 40,000/6th Edition Tactics/Necrons - 1d4chan

The Necrons are a mysterious xenos species of humanoid, robotic skeletal warriors that have lain dormant in their stasis-tombs for more than 60 million Terran years, though they have begun to awaken at last. They are the soulless creations and former servants of the ancient C'tan, the terrible Star Gods of Aeldari myth.

While 6th edition didn't see as big of a change as 2 nd to 3 rd did, it did make some major changes to the core rules themselves as GW had changed its philosophy at this time. Instead of their norm from the earlier editions, 6th edition added rules to the game instead of either removing them or streamlining them. The Grand Design Changes

Necrons are the 500-pound sleeping gorilla of the 40k universe. Their technologies are the most advanced the galaxy has ever seen, the future can be predicted, the speed of light is an afterthought, enemy armour is inconsequential, war is but a matter of domination over lesser entities.

Warhammer 40,000/Tactics/Necrons(8E) - 1d4chan

With the ninth edition of Warhammer 40,000 only releasing a few months ago these new codexes are a welcome arrival, especially for Necrons who largely felt abandoned in the eighth edition. The new codex updates pretty much everything Necron with new rules making it “a (literal) game-changer for Necrons on the battlefield.”
