### Who Stole The American Dream

Who Stole the American Dream? is a non-fiction book by the American author and journalist Hedrick Smith published in 2012 by Random House. It describes the consolidation of wealth in the United States, and the dismantling of the middle class. As a result, the American Dream—a national ethos, or a set of ideals in which freedom includes the opportunity for prosperity and success, and an upward social mobility achieved through hard work—is becoming increasingly unattainable. Although Smith ...

Hedrick Smith's 2012 book "Who Stole the American Dream?" is a powerful look at the way things have shifted against the middle class over the last 40 years in America. It's an important book that everyone interested in American politics or economics should read. I was an intern in Hedrick Smith's office during the fall of 2001.

### Who Stole the American Dream? Can We Get It Back? by ...

America, Who Stole the Dream, was a WONDERFUL READ. I find myself leaning more to the right, from a political perspective, but the authors arguments are EXCELLENT at times and they definitely bring up some great points. This book is the most well argued book I have read about the current demise of the middle class in the U.S.
